Andrea joined the Punch team in March 2016. She began her career in the financial services industry in 1996, and has truly enjoyed growing and learning within it ever since. Her main responsibilities for Punch & Associates revolve around operations. She receives great satisfaction from getting to know clients while guiding them through transactions. Andrea's priority is to provide efficient and effective, yet personal, client service because she genuinely values the relationships that she builds in the process.
