

Punch

A BOUTIQUE INVESTMENT ADVISORY

Laura Hebzynski

Senior Systems Analyst

Laura joined Punch & Associates in January 2022 as a Systems Analyst. She has a decade of professional experience in data validation, research, and analysis. She uses her skills to work closely with our Wealth Strategies Group to effectively manage data across several platforms. Laura maintains client and account information, facilitates internal processes to support the Administrative Group, and monitors reconciliation status for all accounts.

Laura graduated with a B.A. in Applied Mathematics from the University of St. Thomas in St. Paul. In her free time, she enjoys biking, swimming, and coaching.
